Stop by the library every week starting **Monday, July 8th, 2024**. Join us for our Summer Reading Program Kickoff Performance with **Mary Lambert from 1-2 pm**, then pick up your Planetary Clues to hunt for hidden planets. Participate in our **Grand Prize Draw** for a chance to win amazing prizes! Instructions are on the back.

Stellar Quest: Summer Reading Adventure 2024

Join our Stellar Quest summer reading program contest for an intergalactic adventure! Decode clues, hunt for hidden planets, and explore the universe through books. Ignite your imagination and love for reading with this cosmic journey.

How It Works:

Weekly Clues: Receive weekly clues from library staff, each leading to a different planet. These clues will challenge your space knowledge and encourage you to read about the featured planets.

Planet Hunt: Use your clues to find planet images hidden behind downtown Stony Plain's Story Walk panels found in the local store windows.

Library Visit: Return to the library to share your discovery. Correctly identify the planet and where you found it (the name of the store) to earn an entry into the grand prize draw. One entry per person, per week.

Grand Prize Draw: Participants who identify the planets each week will be entered into a grand prize draw for an astronomical prize package. The draw will be held on Friday, August 16th, 2024.
