# FEBRUARY READER

## How to Write a Novel!

**Mondays, February 4th-March 11th  
(no class February 18th) 6:30-8:30pm**

In this 5-week class you will learn how to write an engaging novel that will keep readers turning the pages. Included in this course is a critique of the first two chapters of your book by international bestselling author Kat Flannery. \$100.00/person for 5 classes (No class on February 18th) of instruction and the last session will include a 30 minute individual critique. Register at the library.

## Life After High School

**Wednesdays, February 6th-March 27th 7:00-8:30pm**

When high school is over you'll finally be FREE! Free to do whatever you want! Free to do your own laundry! Free to cook your own meals! Free to pay bills! *Wait-what?!?* Come take this crash course in being a grown-up. We'll cover all sorts of things you need to know to be a functional, mature adult or at least look like one from the outside. Different topics every week. The last 2 weeks focus on getting you ready for university/college.

## Photography Workshop - From Auto to the Great Beyond!

**Saturday, February 9th 10:30am-4:30pm**

**Your host Al Dixon, \$60.00/participant Register in person at the Library!**

Do you have a digital camera with so many functions, features, and controls that you have no idea where to begin? This workshop is designed to help you understand and comprehend the world of digital photography.

## Super Tuesdays - Technology Speed Dating

**Tuesday, February 12th 6:00-7:30pm**

Open your hearts and your minds to all the technology the library has to offer! Try our robots, learn the basics of coding, create a circuit, and discover which tech finds a place in your heart.
