## CURBSIDE PICKUP

Quarantine sure is easier with a good book to keep you company and that's why we will be offering curbside delivery of holds until the library reopens. While the library is closed you won't be able to browse our shelves but we'll still do our best to make sure you can get something great to read, watch, or play.

Hours: Monday – Friday 9:30am-4:30pm

1. Maximum 10 items/card
2. Only items from Stony Plain Public Library
3. Items will be held for one week

Our hours are limited, our staff is limited, and we can't get items from other libraries, but we won't let that stop us!

To get items you have a few options:

1. Go to [tracpac.ab.ca](http://tracpac.ab.ca) to look for items available at the Stony Plain Public Library. If you're not sure how to look for items at the Stony Plain Library you can [watch the video](#) on our website. You cannot place holds in TRACpac at this time. Email us a list of items and we'll contact you when your items are ready to be picked up.
2. Ask us for a GRAB BAG. Just let us know by phone or email that you want, for example 5 True Crime books or 10 Historical Fictions and we'll pick a selection for you.
3. Call us (780-963-5440) with a list of titles and we'll check the shelves for you.
4. Then we'll get the books to you in a safe, contactless way. We'll arrange a pick-up time with you, you let us know when you're here, we put the books outside and then you take them home.

We strongly suggest that you wash your hands before and after picking up your library items. We have quarantined items for 72 hours to help minimize risk and for added safety you can let the items sit for 24-72 hours before handling them at home. We won't be charging late fees until we reopen. You can return items through our drop box when you pick up your new items.
