Stony Plain Public Library

Join us this summer as we read our way through Downtown Stony Plain. This year's Story Walk begins July 5th and is available until August 25th.

Each participating business will have a page of the children's story in their windows for you and your family to read as you stroll down main street. This year's story is '**Sometimes I Feel Like a Fox**' by Danielle Daniel.

Listed below are the names of the businesses involved. Begin at the library, and follow the directions below to find the following pages.
